Parking & Commuter Services

Operating Standard: 006-151023

Title: Start of Semester Enforcement Schedule

This procedure shall be utilized by Parking & Commuter Services staff with relation to enforcement of parking regulations at the start of each semester. The purpose of the procedure is to focus enforcement resources on more critical and urgent needs as well as to ease the transition for students, faculty and staff into the normal operating routine of the campus.

Unless otherwise directed by the Associate Vice President- Facilities Management, the following enforcement schedule shall apply:

- One week prior to the first day of class, all regulations are enforced in all parking lots/spaces with the exception of “No Permit” and “Meter” violations.
- The first two days of classes, all regulations are enforced with the exception of “No Permit” and “Meter” violations.
- On the third day of classes, all regulations are enforced at all parking lots/spaces.
